simon
Since 1916 From Barcelona

Feeling, is what converts time into moments, into snap shot of time to remember.
Emotions convert space into a home, yours.

At Simon, we know that the spaces are the center of all these experience and be able to fill them with nuances and different intensity of sensual.
So you not only living them, but you resonating
with them.
Touch, see, hear, feel.
We want to offer you a whole range of sensations.

Simon, light up emotions.

# Retro Futurism

*The S20 series, inspired by retro futurism ,*
*Through the combination of retro aesthetics and modern technology*
*Leaps over the design boundaries,*
*Demonstrates brand-new wall aesthetics*

# Waltz Switch:
# Fingertips dancing on the switch

*The S20 takes the inspiration from the "waltz" dance,*
*which is innovatively applied to the design of the switch structure.*
*Unique high-gloss retro toggle switches flow elegantly on a metal panel,*
*a perfect interpretation of the classic retro futurism.*

# High-end metal material
# Decoration art style with a premium touch

*Classy anodized aluminum with silky surface, processed by precision CNC machining.*
*Decorated with electroplated high-gloss toggle switches, blending panels into the art of interior decoration.*

## Square mechanical switch, unlock more combinations

*Inherit the retro-futuristic gene, with clear and crisp feels when pressed; matched with a square frame, encourage adaptation and improvisation. Unique high-gloss retro toggle switches flow elegantly on a metal panel, a perfect interpretation of the classic retro futurism.*

## Kits with different combinations, stylish in different ways.

*Adhering to practical aestheticismAll tailored for different space.*

## Consistent Smooth Design
## Fast guide to the best choice

*Provide the most picked combination for*
*different spaces and present it through a comprehensive package.*

## More than visual art, delivers high quality experience

*The Type A+C socket provides fast charge for cell phones and laptops.*
*The Wall-mounting WiFi Router ensures stable internet signal coverage*
*Beside the sophisticated appearance, kits with combinations of high-performance products better satisfy the requirements for higher quality of the using experience.*
